The Hershey Links Experience

Overlooking the Hershey cityscape, Hershey Links stretches along 175 acres of natural bluffs and ravines that create a peaceful setting, while providing ample shot-making challenges.

The layout includes numerous lakes and creeks that impact strategy, pot bunkers, multi-level greens, wide vistas, a natural amphitheater around the 15th green and natural wildlife habitat that includes "deer crossings" along the route.

Five sets of tees accommodate every level of golfer, with the Bentgrass greens, fairways and tees accented throughout the course by tall, golden-brown fescues.
